AGING ALLIES

One year ago, Aging Allies was established with the goal of assisting individuals across all age groups and locations with their government health insurance. This vision set the foundation for a GREAT year!

THANK YOU FOR YOUR SUPPORT!

Our Aging Allies team extends sincere appreciation to our partners, clients, and donors. We value your continued collaboration and look forward to achieving even greater milestones together in the next year.

PENNIE CLIENTS MID-YEAR CHECKIN

We are midway through the year, which presents an ideal opportunity for self-employed individuals receiving Advanced Tax Credits to review their income. Assessing your earnings at this time ensures alignment with the tax credits you are currently receiving. Give us a call today!

CASE MANAGEMENT FOR CAREGIVERS PROGRAM

Caregivers frequently face challenges when seeking resources and services for themselves and their loved ones, while also managing their personal responsibilities.

Navigating options such as Medicaid, payment for skilled nursing care, and understanding PA ABLE accounts can be complex and time-consuming. Aging Allies now offers comprehensive case management services to assist caregivers. We provide essential support, connect caregivers with appropriate resources, offer advocacy, and serve as a reliable source for addressing questions and concerns.

For further information, please contact us today.

NEPA GIVES

NEPA Gives presents an opportunity to support Aging Allies during a 24-hour period, commencing at 7:00 pm on June 4 and concluding at 6:59 pm on June 5. All contributions will assist us in qualifying for bonus funds provided by NEPA Gives sponsors. Help us meet our goal!
