

# December 2025

*Merry Christmas!*

*To all of our supporters, partners, individual donors, and—most importantly—our clients: we thank you!*

*Starting Aging Allies has been quite a journey. We are constantly learning new things. For example, the cost of printing can be daunting—without the generous sponsorship of Copy Cat, we would not be able to keep up with the cost of printing all our materials.*

*At every step, we see God's provision. We strongly feel this service is much needed in our community. People need a safe place to sort out their health insurance issues.*

*Aging Allies is a nonprofit dedicated to helping people navigate government health insurance programs like Pennie (Marketplace), Medicare, and Medicaid. We provide a welcoming space where you can discuss your concerns and get personalized guidance. Many people feel isolated and overwhelmed by health insurance decisions, but we are here to help. Our team members will sit down with you, help you review your options, and explain which plans best fit your doctors and medications. We do not sell insurance or receive any benefit from your choices—our only goal is to support your needs and help you make informed decisions.*

*This year, please help us reach more people in need by sharing our services with your friends, family, and neighbors. Your support ensures that no one has to face health insurance challenges alone.*

*We, at Aging Allies, wish you a wonderful holiday season. Your encouragement and generosity make our work possible, and we are truly grateful for your trust and partnership.*

*Sincerely,*

*Bob and Dana Oravitz*

*Aging Allies relies on funding from individual donors and community sponsors. If you feel compelled to donate toward our mission, you may do so online or by sending a check to: Aging Allies, 330 W. Market St., Suite 2, Pottsville, PA 17901. Every donation directly supports our monthly operating expenses and allows us to continue serving those who need us most.*
