AGING ALLIES

You Are NOT Alone
Government Health Insurance Specialists
Pennie, Medicare, & Medicaid

Pennie Update

Pennie initially chose to change the Open Enrollment dates to October 15–December 15. However, after further consideration, the state ultimately decided to revert to the original dates.

CareGiver Connections

Connecting Caregivers to Essential Services

Starting in January 2027, this program aims to link caregivers with critical services for their loved ones. Aging Allies will offer case management services tailored to assist caregivers in navigating the available options, ensuring their loved ones receive improved healthcare while reducing unnecessary stress for the caregivers.
